CONTRACT WORK

Ditto *Venture backed AI dating startup* Mar 2026 - Jun 2026

Growth & Product Strategy Contractor Santa Cruz, CA

- Led Ditto's UC Santa Cruz campus launch over a 10-week contract, directing a **team of 11** (2 leads, 9 strategists)
- Built social media strategy and video campaigns reaching up to **65K views**, driving **800 new users in 3 months**
- Analyzed campus user engagement to deliver product feedback on Ditto's AI web app to the founding team

EXPERIENCE

180 Degrees Consulting, Santa Cruz *Student consultancy serving nonprofits and social ventures* Jan 2024 - Jun 2026

President (2025–26) · Project Manager (2024–25) · Junior Consultant (2024) Santa Cruz, CA

- Promoted twice in 2 years; led chapter strategy and operations across **~12 clients per year**, mostly nonprofits
- As President & Director of Internal Affairs, oversaw **3–4 concurrent project teams** per quarter, chapter finances, fundraising, and client contracts
- As Project Manager, led a 7-person team advising an educational-equity nonprofit; delivered a strategic roadmap and pitch deck, plus an onboarding redesign **projected to cut volunteer training time 30%**

MGI Research Jun 2025 - Aug 2025

AI Research Intern Remote

- Researched the feasibility and ethics (privacy, bias, transparency) of an AI chatbot for clients to log financial data
- Presented findings and recommendations to MGI's **board of directors**, who used them to engage the tech team and **begin building the chatbot**
- Supported financial tracking and project operations, monitoring budgets and timelines on large initiatives

Silicon Valley 4 U Jun 2023 - Aug 2023

Marketing & UX Business Analyst Intern Remote

- Proposed website redesign concepts and reworked page layouts to better market the company's services
- Diagnosed and fixed broken contact forms, restoring the site's primary channel for inbound client inquiries
- Joined agile sprints with product owners and developers; designed marketing assets for client Vendasta

PROJECTS

Programming Projects *Python, C++, HTML/CSS* 2023

- Built Hangman and Wordle browser clones, an object-oriented 15-tile puzzle in Python, and a C++ CLI calculator
